

Letter of Intent for Village President

To the Residents of the Village of Cambria,

My name is Robert Chitwood, and I am writing to formally express my intent to run for the position of Village President for the Village of Cambria.

I am proud to say that I have been a lifelong resident of Cambria for 66 years. This community is not just where I live, it is my home, and it has been my privilege to serve and support it in many ways throughout my life.

For over 15 years, I have served on the Village Board, working alongside fellow members to help guide decisions that benefit our residents and strengthen our community. In addition, I have been a dedicated member of the Cambria Fire Department since 1979, continuing to serve to this day. Through this role, I have developed a deep understanding of the needs, safety, and well-being of our citizens.

I have also had the honor of serving as a chaplain for Williamson County for over 10 years, providing support, guidance, and compassion to individuals and families during difficult times. I have served as a pastor in this community for 38 years, providing guidance, leadership, and support to countless individuals and families. These experiences have shaped my commitment to service, compassion, and strong moral leadership.

If elected as your Village President, my goals will be to strengthen the Village of Cambria by improving communication and transparency between village leadership and our residents. I believe our citizens deserve to be informed, heard, and involved in the decisions that impact their daily lives.

I am committed to supporting our police and fire departments by ensuring they have the resources, training, and leadership necessary to continue protecting and serving our community effectively. Public safety will always remain a top priority.

Additionally, I will stand firm in supporting and protecting the rights of our citizens, while promoting a safe, respectful, and united community. My focus will be on maintaining the values that make Cambria a great place to live while working toward a strong and stable future.

I respectfully ask for your consideration and support.

Sincerely,
Robert Chitwood

Date: April 22nd
